## Education

**Pimpri Chinchwad College of Engineering and Research, Ravet**

*Bachelor of Engineering in CSE*

**Dec 2021 – July 2025**

**CGPA: 9.71**

**SPMM,Baramati**

*Senior Secondary (XII)*

**May 2020 – Feb 2021**

**percentage: 94.67**

## Experience

**ConnectWise LLP**

*Software Development Intern*

**May 2024 - July 2024**

*Pune, India*

- Developed high-performance backend services using **Golang** and contributed to Redis-based scheduling tasks.
- Collaborated with a multi-person team to improve system efficiency, gaining experience in working with large codebases and code review practices.
- Optimized data storage and retrieval using **Redis**, ensuring safe and incremental updates to production systems.

**IntelliFill Tech Pvt Ltd.**

*Software Development Intern*

**Dec 2023 - March 2024**

*Remote*

- Developed dynamic and responsive **frontend** using **React.js**.
- Designed and developed a scalable **RESTful API** in **Node.js**.
- Created intricate database models to optimize data storage and retrieval.
- Gained proficiency in **microservices** architecture, enhancing application scalability and modularity.

## Projects

**College Canteen Management Website:**

**Aug 2023 - Nov 2023**

- Developed a user-friendly college canteen management website with **React.js** frontend.
- Implemented secure user registration, authentication, and seamless order placement.
- Enhanced efficiency with MongoDB **CRUD operations**, applying modern technologies (**React.js, MongoDB, Node.js**).

**An Educational Website for Cultivating Virtuous Values:.**

**Jan 2023 - July 2023**

- Developed an educational website dedicated to fostering virtuous values.
- Utilized **React** framework to create an engaging and user-friendly frontend interface.
- Utilized **MongoDB** as the database to efficiently manage and store data.

## Achievements

- Secured All India Rank **454** in CodeKaze-Sep'23 coding competition.([Link](#))
- Secured a global rank of **237** in Code Gladiators 2023.([Link](#))
- Solved **100+** problems on Codechef and **300+** problems on Leetcode.
- Solved **400+** problems on Geeksforgeeks.
- **5-star** in problem solving and **5-star** in C++ on Hackerrank.
- Awarded the **Kiran Scholarship** by Persistent Foundation .

## Technical Skills

**Languages:** C++, Javascript , HTML , CSS, Golang,

**Framework :**React.Js, Node.Js

**Databases:** MongoDB, Redis
